country. Their slogan is that partition of India in 1947 is incomplete and a third country called "Mohajiristan" is to be established. That is their aim.

Madam, I would like to know the reaction of the Government of India because it is an open challenge to our country by Pakistan and the underground militants who have been issuing these pamphlets and maps. The map has been published in one of the newspapers. The Sindh region is very small and the entire Punjab and Jammu and Kashmir have been added to that. Pakistan's clandestine attitude of abetting and aiding this militant organisation within their own country and also the militants in India is very clear. Therefore, I would like to know from the External Affairs Minister what action the Government has taken against Pakistan's design and the underground militants called "Mohajirs" who have been trying to bring out a map separating these two parts, Punjab and Jammu and Kashmir, from India. I want the Government to respond to it.
